Customer is responsible for placement of container on job site. We will make every attempt to communicate with the customer for placement. If we unable to communicate with a person on site, we reserve the right to place the container in a feasible area. The container can ONLY be moved/relocated by Mitch Contracting Co., Inc. Mitch Contracting Co., Inc. will not be responsible for damages to paved or concreted surfaces, grass, yards or walkways. Customer is fully responsible for the entire contents of the container and is the rightful owner of the contents of the container until the contents are disposed of and accepted, without protest, by the respective disposal facility. Customer is responsible for all costs, fines and penalties if prohibited items are disposed of in the container. Costs may include cleanup, monitoring, testing, legal fees, penalties and other charges arising from disposal of prohibited items. All refuse shall remain within the confines of the container and must not exceed the top or sides of the container. Additional charges and penalties incurred from overloading are the responsibility of the customer.

State law mandates the weight as follows: 10 yard - 5 tons of debris or less

20 & 30 yard - 10 tons of debris or less

A credit card is required for rental of all waste containers. Damages to the container are the responsibility of the customer. Damage fees will be assessed and charged to the customer. All rental, landfill, hauling, relocation fees and failed trip fees will be charged to the credit card provided by the Customer on the day the charge is incurred. Rental fees will begin the day of delivery and will end on the day the container is picked up. Balances over 30 days will be assessed a 3% finance charge per month. Relocation and failed delivery fees will be charged at \$100.00 per trip.
